Moved by Bob, second by Jodi: to approve the meeting minutes from April 25, 2016. Motion carried.

The financial report was reviewed. There were no bills to approve.

Old Business: Administrator Wiswell reviewed a preliminary copy of Algoma's Comprehensive Plan & Strategic Implementation Work Plan. Areas of assessment include housing, economic development, utilities & community facilities, transportation, agricultural, natural & cultural resources, intergovernmental cooperation, and land use.

A question was raised about broadband and what it would take for Algoma to become a "wired city".

A significant portion of the CDC's budget goes to KCEDC and Main Street. Therefore the committee would like to see how the contribution of those funds is benefiting the City of Algoma. The committee would like Jennifer Brown to attend our meeting in June to give us an update on what the KCEDC is working on and involved in. The committee also wants a written report from Main Street to include the following: what new items are being worked on, what is currently being worked on, and a financial breakdown.

City Administrator Wiswell gave updates on the lighthouse and Grand Stay hotel project.

Moved by Jacque, second by Jodi: to adjourn the meeting. Motion carried. The meeting adjourned at 5:45 PM.

The next regular committee meeting is Monday, June 18, 2016, at 5:00 PM at City Hall.
