**REKAYA GIBSON COUNTERS RISING FOOD COSTS
WITH *COOKING ON A DOLLAR STORE BUDGET***

Newport News, Virginia – Gibson Girl Publishing Company, LLC proudly announces its latest release, *Cooking on a Dollar Store Budget*, by Author and Food Blogger, Rekaya Gibson. This cookbook offers 52 recipes created with items purchased from dollar stores. It's available in bookstores and through online retailers.

Rekaya Gibson crafted the idea for *Cooking on a Dollar Store Budget* after becoming unemployed several times throughout her career. She experimented with items from 99cent Only Store and Dollar Tree, usually staying under a \$20 limit each week. She wrote this book to give families and individuals delicious ideas for creating dishes with discounted items. "Budgeting doesn't necessarily mean you can't create succulent meals with great flavor," she asserts.

This 66-page cookbook is available electronically and in trade paperback (5.83 x 8.27) at Barnes & Noble, Amazon, Smashwords, and anywhere else books are sold. Ingram Content Group distributes *Cooking on a Dollar Store Budget* worldwide.
