### **Samaritan Award Nominations Sought**

Fresh Aire Samaritan Counseling Center's primary goal is to help those whom it counsels achieve a healthy balance in mind, body and spirit. The Center also seeks to increase public awareness of this focus by recognizing individuals or groups within the Great Lakes Bay Region that have substantially contributed to this goal by initiating and promoting health and wellness in the workplace school and/or community through various outreach programs/ministries. While churches may be involved in the initiatives, we are specifically wanting to recognize individuals or groups where the initiative did not begin within the local church and its programming. Some of our past honorees have included: founders of "One Week, One Street," "Diaper Alliance," "Call to the Creek," "SneakerPalooza," and "Instruments of Peace," and a free mobile health clinic. If you know of a worthy individual, please submit their names and their contributions via the nomination form that can be found at [www.freshairesamaritan.org](http://www.freshairesamaritan.org) or in the church office or welcome center. The deadline for submissions is September 14, 2015. Recognition and award winners will be honored at a fundraiser banquet being held at the Bay Valley Resort on November 9 beginning at 6:30 pm.
