Tea & Tissues is a program for parents at the beginning of the year. Sometimes when children are new to preschool they cry - and sometimes their parents cry :) We offer "tea and tissues" (and bagels...), along with experienced parents and staff who mingle and answer questions, as well as "spy" on children so that new parents can know how their children are doing without being seen.

5x... is our short-hand for our class schedules. Classes that meet just mornings are designated by the number of mornings (2 mornings=2x, 3 mornings is 3x, 5 mornings is 5x). Classes that meeting mornings and some afternoons add the number of afternoons to the morning designation (5+2= 5 mornings and 2 afternoons), etc.
