

FIESTA RANCH TOMATILLO SALSA

INGREDIENTS

- 6 to 7 tomatillos
- 1 pkg Fiesta Ranch dressing packet
- 1 cup mayonnaise
- 1 cup buttermilk*
- 1 bunch cilantro
- 3 cloves minced garlic
- 1/8 tsp cayenne

DIRECTIONS

1. Take the husks off the tomatillos and wash the stickiness off of them
2. Chop up the cilantro, just to get it off the cilantro bunch, you don't have to chop it up very small at all since the blender will take care of it.
3. Put all ingredients in a blender and mix well.
4. Serve with chips, in tacos, on pork burgers, or anything you want.

*A substitute for buttermilk, if you need one, is 1 cup milk mixed with 1 tablespoon lemon juice. Mix them together and let it sit for two minutes and it's ready to use.
