

**FOR IMMEDIATE RELEASE:**

Intern Team Set for 2014 Rhythm X Season

INDIANAPOLIS, Indiana (December 7, 2013) - In November, Rhythm X launched a nationwide search for it's team of marketing, media, and administrative interns for its 2014 competitive season. Today Rhythm X announced the interns who will work with the dynamic administrative team on projects ranging from The X Store, social media outlets, The X Blog, clinics, rehearsal scheduling, travel logistics, and new ventures in media production and exclusive online content.

The interns for the 2014 season are Joel Blaeser of Ohio, Patrick Fitzgerald of Indiana, and Maddie Wessel of Ohio. Blaeser and Fitzgerald will work together in media production and will help Rhythm X bring new series of online content to fans and the educational community worldwide. Ms. Wessel joins the team as a marketing and administrative intern.

"The prospect of our team growing and bringing new, young ideas to this organization is exciting," Operations Director Mike Scott said, "These interns are going to have a great experience and help Rhythm X reach many more people and grow as an organization."

Rhythm X is the current Winter Guard International World Class Champion after winning the WGI World Championships in late April. The ensemble is currently in the beginning of its 2014 rehearsal season. Rhythm X will return to competition in the Mid-East Performance Association and Winter Guard International circuits in February.
