THE MISSION

THE GABRIEL CALL

To reach this goal and achieve this mission, the World Centre for Entrepreneurial Studies has developed a unique training program called The Gabriel Call. The program is designed to support the authority of the local church in evangelism and to provide an effective economic platform. The objective is to see the program fully operational in 50,000 churches in the English speaking world by 2025.

The Pastors' program is supplied on DVD and includes the following subjects:

DVDs are provided to help ensure the success of every meeting.

THE KINGDOM BUILDERS' PROGRAM

The eight-week program covers a wide range of areas. The facilitator receives a DVD for each of the eight weeks, covering selected subjects. Participants are required to spend a minimum of 2 hours (one night a week) for at least eight weeks to cover all the subjects. (The subjects are listed elsewhere in this brochure.) The eight DVDs must be returned to The Gabriel Call headquarters upon completion of the program.
