

Counterfeit Money Advisory Monday, February 23, 2009

There have been several reports of counterfeit money being passed around the City of Boston since the beginning of December 2008. In the majority of incidents, counterfeit \$20 dollar bills were used, but \$10, \$50 and \$100 dollar bills have been used on occasion. The most frequent recipient of these counterfeit bills have been Taxi/ Livery drivers, restaurants and bars in the Dorchester (C11), South Boston (C6), Roxbury (B2) and Jamaica Plain (E13) areas. Boston Police, in conjunction with the United States Secret Service made an arrest on 2/3/09 of an individual that may be responsible for some of the counterfeit currency being passed around (CC# 090061459). Below please find a list of serial numbers that have been used in more than one incident, as well as a list of serial numbers used since 12/12/08.

If You Receive a Counterfeit Note:

1. Do not return it to the passer.
2. Delay the passer if possible.
3. Observe the passer's description, as well as that of any companions, and the license plate numbers of any vehicles used.
4. Contact your local police department or United States Secret Service field office. These numbers can be found on the inside front page of your local telephone directory.
5. Write your initials and the date in the white border areas of the suspect note.
6. Limit the handling of the note. Carefully place it in a protective covering, such as an envelope.
7. Surrender the note or coin only to a properly identified police officer or a U.S. Secret Service special agent.
