Independent Auditors' Report

To the Board of Trustees of
Boston Police Relief Association
Hyde Park, Massachusetts

We have audited the accompanying statements of financial position - cash basis of the Boston Police Relief Association (a nonprofit organization) as of December 31, 2011 and the related statements of activities and functional expenses - cash basis, and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
