We have audited the accompanying statements of financial position - cash basis of the Boston Police Relief Association (a nonprofit organization) as of December 31, 2010 and the related statements of activities and functional expenses - cash basis, and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.
