STRIP CABLES THE EASY WAY

The **RSK-125** is the best way to strip large diameter armored power cables. Welded cables are normally very difficult to strip, but the motorized **Roto-Skinner** easily strips cable ends saving time & money.

MORE FEATURES!

The cable guide of the **Roto-Skinner** can be swung out of the way to cut panels up to 1/4" thick. The light weight of this tool, 4lbs., makes it easy to handle in any position.

LIMITED WARRANTY

The Roto-Skinner has a limited warranty against defects of material or workmanship for 90 days excluding the blade.
