

RSK-145RC RING-CUT ROTO-SKINNER

**For Armored Cables
From 1" to 5" O.D.
(25mm to 125mm)**

RING-CUT RSK-145RC

The Roto-Skinner is a top-notch compact power tool designed to take out the drudgery out of slitting cables.

U.S. Patents
#4,267,636 &
#4,142,290

WORK SMARTER, NOT HARDER!

The **RSK-145RC** uses a battery operated circular saw: simply rotate the **Roto-Skinner** 360° around the cable to make perfect ring-cuts on plastic & metal clad cables. The best way to strip **plastic, steel or aluminum** Type MC-HL with a continuously corrugated outer armor such as: Okonite CLX®, Rockbestos Gardex®, Southwire ARMOR-X® & General Cable's TECK90. Also use on aluminum interlocked armored cables such as Duralox® or MEGA MC™.

Cut plastic jacketed power cables such as DuraSheath® or EFC Envirotect™. Depth of cut can easily be adjusted with a micrometer and locked, **maximum depth of cut** 3/8" or 9mm. Features convenient inch & metric scales for quickly moving & locking vee-shaped cable guide to the desired size. **Continuous running** is made possible by sliding an "O" ring over the safety trigger switch.

- **Ring-Cut** cables from 1" to 5" OD or 13mm to 125mm.
- **SV-151 Adapter** for Roto-Skinner allows the **RSK-145RC** to make ring cuts from 1/2" to 1.00" O.D. Attaches with two removable thumb screws.
- Uses battery pack **BP-156** which can be fully recharged in 1 hour.
- Includes **TC-151** tool case, 2 **BP-156** 12V lithium-ion batteries and **C-156** charger

PROMOTE SAFETY!

The **Roto-Skinner** is ideal for use in **damp locations** because it is cordless. The cable guide holds part securely as you strip. Plus there's no line cord - you have total freedom of movement and portability.

Specifications:

- Uses 12V Makita rechargeable lithium-ion batteries
- Maximum depth of cut 3/8" (9mm)
- Weight: 4.25lbs with battery (**RSK-145RC**)
- Uses **B-151** Replacement Blade

LIMITED WARRANTY

The **Roto-Skinner** has a limited warranty against defects of material or workmanship for 90 days excluding the battery pack, charger and circular cutter.

	B-151	BLADE FOR RSK-145
	BP-156	12V LI-ION RECHARGABLE BATTERY
	C-156	12V LI-ION BATTERY CHARGER
	SV-151	ADAPTER FOR RSK-145RC. MAKING RING CUTS FROM 1/2" TO 1.00" O.D. ATTACHES WITH 2 REMOVABLE THUMB SCREWS.
	TC-151	TOOL CASE
