

# Community Open House & Presentation

## 4th Street Revitalization & Redesign Plan

Wednesday, November 19, 2014

6:00 pm to 8:00 pm

Los Ranchos Village Hall, 6718 Rio Grande Blvd. NW

The Village of Los Ranchos is seeking input on revitalization and redesign concepts of Fourth Street, from just north of Ortega Road to the intersection of Fourth Street and Osuna Road. The scope of the Fourth Street Revitalization & Redesign Plan includes the analysis, planning, development, and design of improvements to Fourth Street, including public roadways, public spaces, and commercial corridors and sites.

Refined conceptual design concepts and illustrations of the corridor and an analysis matrix developed using stakeholder and community input and the results of traffic and market studies will be displayed during the open house. Members of the design team will be positioned at the displays to engage community members in discussion to obtain input and field questions and comments. A formal presentation will follow the open house.
