

**The East Boulder County Artists (EBCA)** is a grassroots arts organization founded in September 1999 by a group of artists to celebrate the creative communities in East Boulder County, including Louisville, Longmont, Lafayette, Erie, and Superior. EBCA is a non-profit (501c3) organization.

Our mission is to promote the visual arts, with emphasis on education and outreach, in East Boulder County.

Our passion is to share the art that we love and build a strong and diverse community while serving the needs of our members, a number that has doubled since our founding and is still growing.

EBCA activities include:

- Annual Studio Tours - giving people a glimpse into how and where the ‘magic’ happens and to meet the artists.
- Studio Tour Preview - Exhibition and Opening Reception prior to the annual studio tour.
- Annual Holiday Show - featuring gifts for the holidays
- Educational Outreach Programs - member artists giving back to the community
- Lafayette Peach Festival – art demonstrations for adults and children

The organization's visibility and attendance has grown from 500 visitors the first year to attendance totals of nearly 7,000 at all EBCA events and artist workshops in 2012.

The levels of sponsorship outlined in the attached document not only include promotion during the Annual Studio Tour, but during other significant events held throughout the year, including the Lafayette Peach Festival (over 800 visitors to the EBCA booth), and the EBCA Holiday Show (589 attendees), and different outreach events.

Help support local artists and this unique community organization. Your tax-deductible contribution will not only be supporting the arts, but will subsequently benefit Boulder County.

*Always look for the yellow sun to find beauty, inspiration, and delight.*
