

Benefits of Camp Scully

Camp Scully provides children with a community of caring adults, who nurture experiential education that results in self-respect and appreciation for human value. For years, campers' parents have reported that when their children return home from Camp they are more caring, understand the importance of giving, are more equipped to stand up for what they know is right, and are willing to be more responsible.

Children are at less risk at Camp Scully where they have a sense of community, develop intergenerational relationships, and learn through first-hand experiences. Trained, caring adult role models help children feel loved, capable, and included. Camp helps children grow by providing a supervised, positive environment that has safety as a primary commitment.
