

Veriditas Labyrinth Summer School

New Harmony, Indiana, July 27-Aug 3

Learn about labyrinths from definition to design, materials to construction, walking to facilitating events. Join Lauren Artress, a founder of the modern labyrinth movement, and Lars Howlett, a professional labyrinth designer and master builder, for a single event, group walk, workshop, or the whole week (at a discount). The Facilitator Training includes a special candlelight walk on the Cathedral Labyrinth. The Design and Building workshops include a lecture, studio visit, and porch dinner by local artist Ben Nicholson. The grand finale will be a tour of Southern Indiana labyrinths in a variety of styles and settings with John Ridder.
