Dear Mr. Pittman,

This letter is to inform you that a review of immunization records for the children of Sweetwater Independent School District has been completed. At this time there are no immunization delinquencies. A report showing 100% compliance will be sent to Austin.

The Texas Department of State Health Services Immunization Program thanks you for your cooperation during this review and for your excellent work in keeping the children in your district compliant. If I can be of service to you regarding immunization requirements in the future please feel free to call me.

Sincerely,
