Market vendors may only promote their products within the assigned booth space / area. No product promotion is permitted in the common areas of the Market. Vendors must not attempt to attract attention by hawking, yelling loudly, or distributing fliers throughout the Market

Notification of Absence:

If you are not able to attend a Market, please immediately contact the Market Manager at 847-691-8006. The Market will be held on each day of a Market season as designated in the application. The Market operates in all weather conditions. In the event of severe weather conditions the Market Manager may elect to close the Market to insure the safety of all vendors and shoppers alike, i.e. tornado warnings, severe lighting, sub-zero temperatures. Refunds will not be given for dates cancelled due to weather precautions. It is the vendor's responsibility to check for email updates from the Market Manager via the Manage My Market email system.

You are scheduled for all dates of the Market you signed up for. Failure to attend the Market more than 3 scheduled times without prior approval of the Market manager will result in forfeiture of your space and any fees already paid. It is our effort to have a consistent and fully filled Market. Gaps in the Market make for choppy shopping flow and negatively impact your fellow vendors.

Enforcement of Rules and Regulations:

Participants in the Market must conform to Market rules at all times. The Market Managers have the full authority to enforce all rules. Any participant failing to comply will lose their stall space at the discretion of the Managers. Market rules supplement village code provisions. No refunds will be issued if stall space is lost due to violation of Market Rules and Regulations.

Payments/Refunds:

- **Payment:** Your fee for the Market pays for all dates of a Market Season, i.e. Spring, Summer, Fall and the All Market Plan. Vendors will not be allowed to set up at the Market without having their account marked paid in full. You will be provided with an invoice through ManageMyMarket when your application has been approved. The invoice will clearly list Market Season, stall fee and total amount due. Payment is to be mailed to: Grayslake Farmers Market,

1862 East Belvidere Road, Box 232, Grayslake, IL 60030. The Market does not accept Pay Pal or credit cards.

- **Refunds:** Refunds will be issued for a Market Season if a vendor cancels one week prior to the start of a Market Season. Vendors will not be issued a refund if they cancel their attendance at the Market during a Market Season. If a vendor under the All Market Plan requests cancellation, a refund will be issued for the next Market Season(s). For example, if a vendor signs up for the All Market Plan and cancels during the Summer Market, a refund will be issued for the Fall Market only. The All Market Plan bills for 37 market days. Refunds will be calculated on the number of market days remaining in the next Market Season. For example, if a vendor cancels the Fall Market, a refund will be issued for 12 Fall Market Days.

Exclusivity / Redundancy:

The Grayslake Farmers Market does not offer or guarantee any exclusivity to any vendor for any product at any time. In our efforts to provide a wide mix of product offerings, we will limit the number of vendors with redundant products. We do allow for duplicate products as space allows. In addition, The Grayslake Farmers Market is the largest, continuous running market in Lake County. In order to assure a smooth operation it requires that current vendors and prospective vendors sign-up in January and designate which markets they wish to participate in. Vendors expecting to be considered for a market a month before a market season starts are advised that the process starts at the beginning of the new year. We also strive to consider applications from new vendors that have a local connection. However, many existing vendors have been with the market for ten and sometimes fifteen years and as such are given priority as long as they too meet registration deadlines.

Marketing:

The Grayslake Farmers Market will be happy to post on our Facebook Page any specials you have each week. It is the responsibility of each vendor to provide the Market manager with any specials, notices, etc. Please contact the Market Manager at juliegrayslakemarket@gmail.com. We encourage all vendors to have a business Facebook page and to "like" the Grayslake Farmers Market. This does increase traffic in to the Market and your business. When completing your application to the Market, be sure to list as much detail about your company as possible for your vendor bio. This information is visible to the general public via our Grayslake Farmers Market web page. Also, check Manage My Market for marketing tips.
