

SATURDAY 9TH MAY
V CRONULLA CARINGBAH
WON 32 – 12

After weeks of terrible weather and no training or games! It was good to be back out there playing footy.

The sun was shining on Sutho Oval and our u6'ss did not disappoint.

A solid all round performance from all the side. I was most happy with our defensive line, with all the kids starting to know their positions. It is great to see!

The defence was great only letting in 3 tries with most of the kids helping out and making tackles.

Taj had a blinder, he did 2 massive tackles and scored a rampaging try that Paul Gallen would be proud of.

Austin was good again in keeping the middle tight and never lets you down

Max and Beau both improved again with their concentration and never took a backward step in running the ball.

Lucas scored two great tries and made one definite try saving tackle. Tk and Kimmy both scored a try each and defended well on the wings.

New recruit Corey scored on debut and made some fantastic tackles. Well done and welcome to the club.

Jude played a great game, he had heavy involvement and helped with numerous tackles and made great runs.

Ryno was outstanding especially in defence, making many great try saving tackles and was the best on the ground. Well done.

The two bruise brothers Kale and Nate were missing this week and look forward to getting them both back next week.

See you all at training, and well done u6's you are all doing the club proud.

Cheers
COACH LIL
