

SATURDAY 16TH MAY
WON 28 – 20 VS COMO

We played the mighty MO away at Yarrawarra on a nice sunny day and it was a very hard fought win.

We started on fire with a couple of quick tries but then Como hit back straight away.

We were missing Lucas and Nate for this game but all the other kids stepped up.

No more so than Kale and TK.

Kale was on song from the warm up with high energy and great tackling and he also set up a try to Ryno with a good offload.

TK was outstanding tackling everything that moved and scoring a great try. This was his best game so far.

It was actually a solid all round performance from all the side. Two weeks in a row our defensive line was good.

Although we let in 5 tries, that was more to do with a few good players from Como.

Taj had another great game, running hard and pumping those little legs. Austin again was good in keeping the middle tight and was an offloading genius setting up Ryno for a couple of tries.

Max had his best game, so well done mate and keep it up.

Beau too was great with his involvement yet again. A big effort for a kid just 4 years old.

Kimmy was solid on the wing scoring another fantastic try. Corey is starting to fit into the team and after putting him in the middle his defence improved straight away. He is a good runner of the ball and can tackle and will be the big improver over the next 3 to 4 weeks.

Jude played a great game, showing good fancy footwork with his long runs and Ryno was again very good!

See you all at training,

Cheers
COACH LIL

TRIES
RYNO = 5
TK=1
KIMMY=1
