

Under 7 Round 4

Score: Sutho 8 – Aquinas 16

We played Aquinas at Yarrowarra. It was a great game of footy with both teams defending really well. Our boys kept getting up off the ground after a big hit to go again.

Kyron's defence was excellent with some copy book tackles, one leading to a try after a spilt ball that was swooped on by Archie who was outstanding in attack & defence.

Eion had his best game of the year.

Jye tackled everything that came his way.

Our wingers, Dan & Lachie saw plenty of action out wide & handled it brilliantly.

Olli ran hard at them & got involved in defence a number of times.

Mitch helped his team when needed for a run or tackling.

Ryno charged into the defence a number of times in his usual fearless style.

Ry tackled well & got a couple of good offloads away, one after getting smashed in a tackle.

Harrison was busy making plenty of runs & tackles.

The most pleasing part of the game was in the 3rd 10 minutes when I stood on the sidelines & let the boys loose on their own for the first time. They really handled it well without me barking in their ears. They got back in positions in defence & only let one try in this period.

Great effort considering the other team had their coach to guide them.

Big rap to Ry & Dan for organising the boys.

Kyle.
