Sutherland v's Gynea won 34-18

Round 1 was at Sutherland oval and our first game on the bigger field. The boys jumped out to a handy lead and it looked as if the game was under control by the end of the first half.

Second half and a couple of back to back mistakes with the ball and Gynea closed the gap on the scoreboard with the big boys causing some troubles. To our credit we took back control of the game and scored two tries of our own too eventually run out winners.

Kye McMahon had the best game I can ever remember watching him play his direct running was outstanding and his defence improved as the game went on.

The rest of the side all showed glimpses of there best in patches. We need to remember a couple of good runs and tackles is great but we can always do more. Special mention to Jake Jones backing up for his second straight full game well done.

I would also like to welcome Aaron Murray to the club and I am looking forward to Aaron having a great season.
