

Saturday 23rd May v Engadine

Won 36-4

Another great effort from this little under 6's team.

With a lot of rain around in previous days the field was very muddy which most kids enjoyed and one or two were not real keen on.

We tackled really well this game with everyone getting involved.

Max, Nat and Taj continue to improve and are contributing more and more every week.

Beau showed how tough he is for a four year old getting straight back up after getting smashed.

Jude , Corey and Kimmy were heavily involved with great runs and tackles.

Kale continues to impress me with his improvement and eagerness to learn and Austin scored a great try and made some good offloads.

Ryno, TK and Lucas were at their best grabbing 7 tries between them and saving many more with great defence.

Well done boys

Tries:

Ryan x 3

TK x 2

Lucas x 2

Kimmy x 1

Austin x 1
