

Score: Sutho 40 – Engadine 0

We played Engadine at home. Our defence across the park was outstanding with every player contributing to holding Engadine scoreless.

Mitch had his best running game of the year.

Eion had a great game running hard & charging up in defence.

Jye's tackling once again was excellent.

Olli got involved but we're still waiting for Olli to click like we know he can.

Kyron's tackling out wide was awesome.

Ry was great in defence & organised the team really well.

Daniel found his mojo with his running game & never missed a tackle.

Archie was back to his barnstorming best in attack.

Lachie was untouchable scoring 6 tries.

Harrison made a couple of great long runs & bagged a try.

Ryno came on & created havoc with that big "G.I." fend.

With me sitting out the last 20 minutes of the game the boys were excellent especially getting into position in defence.

Well played.

Kyle.
