

Under 8 – 2016 Round 2

Sutho 20 v 34 St Pats

We played St Pats at Yarrowarra. They had one big bopper in their side who was really well handled by the boys. He was probably the difference between the sides but the boys had a real crack at him in defence, none better than Ryder who took him head on in a really courageous effort in bringing him down. Big Jai AJ scored his first, and certainly not his last try, after discovering other kids don't want to tackle him when he runs hard. Kyron was great for us with a lot of tough runs. Dan and Lachie were excellent as always. Eoin, Jai & Olli all did their best. Mitch made some good tackles. Harrison is starting to gain confidence. Ry scored a couple of tries and made some good runs, although was guilty of pushing the pass too much. All up a really good effort boys. Kyle.
