

Under 8 – 2016 Round 3

Sutho 12 v 32 Bosco

We played at sutho oval in the rain which seemed to throw the boys out of whack a bit. We had trouble with all parts of our game. Losing Dan to 'Bali Beads Fever' early in the game contributed to the mayhem. The highlights were Harrison finding his mojo and scoring a great try, when Harrison has his confidence up he makes a real difference to the side. The other big moment was a beautiful cover tackle from Lachie on their biggest kid flying down the sideline. The rest of the boys all tried hard but it was one of those days where we just seemed to struggle. We'll blame the rain and school holidays and look forward to next week. Kyle.
