

Project-Specific Fund Policy

General information:

- Applicants interested in starting a fund through the Omaha Parks Foundation ("OPF") for a specific Parks project must submit requests in writing to the City of Omaha Parks and Recreation Department and OPF. Project requests need to include a detailed description of the project scope and, if appropriate, include a drawing or sketch of the proposed project. This application should also include a project schedule or timeline. Funds can be donated/raised for projects that are of a capital improvement nature. That is, they are permanent, physical improvements to the park (i.e., once constructed will last for 10 years or more).
- Prior to OPF accepting any funds, non-cash gifts, or restricted gifts, for a specific project impacting City property, the CityParks and Recreation Department must provide written approval of the project, or agree to undertake the project, once funding is complete. OPF must also provide written approval and include any specific requirements regarding the project before fundraising begins.
- Money given to OPF for specific projects will be held in OPF's account until needed for the project; no interest is paid on these accounts.
- If multiple donors are contributing to the same project-specific fund, a Donor Contact must be identified.
- Project donations will be directed through the City of Omaha Parks Department when the project is totally funded and scheduled for construction.
- OPF will add donors' names and addresses to OPF donor database.

Recordkeeping:

- OPF will keep an electronic record of deposits, including any donor restrictions provided; OPF recommends that donors also keep detailed records.
- An electronic or paper statement is available on request, and will be provided to the Donor Contact on an annual basis for project-specific accounts exceeding \$5,000.
- A final accounting will be provided to the Donor Contact when the project is completed.

Fees:

- Credit card transactions will be charged up to a 4% fee, deducted monthly. OPF reserves the right to change this fee as needed to cover credit card processing costs.
- Gifts under \$12,500 are subject to a one-time administrative fee of 2% or \$250, whichever is less.
- Gifts exceeding \$12,500 are subject to a one-time administrative fee of 2%, unless a different fee structure is approved by the OPF Board.

Making deposits to your account:

- Payments are accepted via cash, debit card, credit card, or check.
- All checks should be made out to Omaha Parks Foundation, Inc. The specific project and, if applicable, the name of your organization should be clearly noted on the memo line of the check.
- Mail or hand-deliver checks/cash to the OPF office:
11225 Davenport Street #108, Omaha, NE 68154
ATTN: Omaha Parks Foundation, Inc.
- OPF will send a thank you only for donations of \$250 or more, as these are required for the donor's tax records. A thank-you letter from OPF confirms for the donor that their contribution is tax-deductible to the extent allowable by law. For smaller donations, the donor's cancelled check is their receipt for tax purposes.
- If we receive donations for a multiple-donor specific project directly, we will notify the Donor Contact of the amounts and the donors' contact information.
