

CALLING ALL RAZORBACK ALUMNI AND OTHER HIGH CALIBER FORMER PLAYERS

If you're a former Razorback or other high caliber former hockey player looking to stick around the game you love and make a few extra bucks by doing so, then we want you!

NWA's hockey program is rapidly growing as youth, Adult and Razorback hockey programs are all expanding. It's a great opportunity to be around hockey, stay in shape and make some money whether you go to school or hold a full-time job as games are scheduled on nights and weekends. Additional opportunities thru USA Hockey's Officials Development Program could kick start a career towards officiating at professional levels of hockey.

Our annual NWA Officials seminar is geared directly at keeping former players on the ice and turning them into officials and scheduled for:

- Saturday August 29th from 8:30 - 1 pm

If interested, please email Mitchell Erickson at merickson@cfaith.com for more information or go to www.usahockey.com/officialseminars.
