

Knitting Circle

Have you wanted to learn to knit but just never got around to it?

Are you curious about yarn craft?

Have you ever wondered what to do with a cable needle—or what one is?

Do you need some help working through your yarn stash?

Or would you just like some friendly company while you're knitting?

The Women's Initiative provides a safe space to get those needles clicking. Join our master and not so master knitters for chatting and stitching. **Beginners are welcome**—starter supplies available.
