**Estimated dates for Summer Teams 2018** (Please remain flexible on dates until tickets are purchased.)

**Medical Mission** *May 15 – June 1, 2018*: This team will be doing well-check-ups on all our children. We need a doctor, PA, NP and nurses for this team. Medical staff will also be involved in doing community health training. After clinic hours, we'll visit with the children from the orphanage.

**Education and Sponsorship Mission** *May 30 – June 15, 2018, June 15 – July 6, 2018*: These two teams provide an incredible opportunity to interact with our children through play, school, chapel, and so much more. We'll also get lots of opportunities to visit in the villages, meeting people in their homes to learn about Malawi, pray with people and share about Jesus. We will also be interviewing all the children who are enrolled in our sponsorship program, helping them write letters to their sponsors and taking new pictures. Medical personnel who are not able to join the Medical team will be able to serve in the clinic or through Community Health Education during this time.

**Evangelism and Worship Mission** *July 2 to July 30, 2018* (By Special Invitation): This team will be traveling out from the Grace Center each week to do Evangelistic services in the villages and market places. We will partner with the Grace Alliance Evangelism team to minister to the hurting, sick, and lost. Expect to see deliverance, healing, to have your faith challenged and tested, to be exhausted and exhilarated by the things you will experience. This team will minister 3- 4 days in the village each week, 3 days at the Grace Center. If you are interested, please contact [Karen@cohcommunity.org](mailto:Karen@cohcommunity.org).
