Dear Parent,

As you are already aware our school is participating in the **Bike It** programme in association with Sustrans, a UK Charity. The Education Officer, Pamela Grove - White from Sustrans, is continuing to deliver a structured programme of cycling presentations and activities with the aim that the HPS community will support and promote a 'pro-cycling culture' now and in the future.

Our main P1- P4 Bike It event for this term is going to be:-

PEDAL FOR A PANCAKE !

All P1- P4 children are welcome to take part!

If your child has a bike or scooter they are welcome to bring it to school for the Pedal for a Pancake Day but this is not compulsory.

It is important that all bikes and scooters are in good working order.

The day will include a range of activities, some of which do NOT require a bike or scooter. The boys and girls will also enjoy having pancakes and juice or water !

It is school policy that pupils must wear a well fitted helmet to participate in any school event involving bikes or scooters .

With your permission and under supervision we would encourage your child to either:

A. Cycle or come by scooter to school

or

B. Bring their bicycle or scooter to school in order to participate in the Bike It Day .

The boys and girls will be told where to put their bikes or scooters in the school grounds before each event. Members of our Bike It Crew (P6 & P7 boys and girls) will be involved in helping to organise the events.

We hope your children enjoy their Pedal for a Pancake. Please ensure they have a coat to wear. Also look out for some photographs on the school website and in the local press.

Many thanks.
