

Blessed Jesus

Michael James Mette CCLI# 7087880

Key of D

At the break of day let Your help be sent with haste
show your tender love, blessed Jesus.

Let my lips proclaim with my every pause and praise
Your greatness Lord, Blessed Jesus.

Chorus:

Blessed Jesus. Blessed Jesus.
Every day, every night, at your feet I lay my life blessed Jesus.

When the sun is high let my mind and soul arise
to the holy place with You Jesus.

in the noon time still, be my clarity and will
Light my path for me, blessed Jesus

In the cool of night, keep my candle burning bright
let me not stop now, praising Jesus

May my soul proclaim, you are merciful and great
I rejoice in my savior Jesus.

With my final breath, when I think there's nothing left
Let my soul rest peacefully Jesus.

And with You I'll be as your servant goes in peace
May thy will be done, blessed Jesus.
