Instructions (2 Players Required):
Both players place their boats on the defensive grid according to the chart above. The first player calls out a position (i.e., H-4). The other player says either "Hit" or "Miss" depending upon whether one of his ships is in the position called out. The person calling out should mark a hit or a miss on their offensive grid to keep track of the shots. The other player should mark the shot on the "defensive grid." If the shot is a "Hit," the player goes again—otherwise the other player takes a turn. Once the opposing player has scored a hit on all parts of a particular ship, you must call out "Hit...you sunk my Cruiser" (or whatever type of ship it was). Once a player has sunk all the opponents' ships, they are the winner.
