President's Message

We're heading into another great week at Victoria Beach! How did we all get so lucky? The last week saw a lot of activities.

One of the biggest of the year was the Flea Market. It was a tremendous success thanks to Lyndsi da Roza and her amazing group of volunteers. From pick up, to sorting items, to selling treasures, every volunteer is valuable! Big thanks to the cleanup/charity crew - Mavis Whicker, Andrea Pratt McDowell, Jennifer Engbrecht, Jennifer Sime and Laura Hilland. Great job getting a lot of the leftovers to people who need them!

Beach Events were a lot of fun! Many awesome games! Thank you to the Peacock Family for organizing this great event.

The Book Sale saw many of your recycled books be rehomed. Thanks for your donations

to help fund your community library! Thanks to the volunteers who helped before, during and after the sale. And, of course, the sale couldn't have happened without the Beazley and Edwards families.

All of the ladies enjoyed a fun evening at Ladies Movie Night. Thanks to Brenda Vielhaber for the movie, wine, prizes and laughs!

I'm in my first term as Secretary for the Club. I've volunteered (and been volun-told) many, many times over the years but have never had an "official" position. So far so good.

I encourage you all to volunteer. All of our club activities are run by volunteers. Please remember this when you attend events. Don't forget to get involved and, also, to say thank you!!

Barb Hansford
VB Club Secretary

Attention VB Ladies Golfers Novice & Experienced VB Ladies Golf Tournament is July 26

Time is running out to sign up for the tournament on July 26. It's not just about the golf! It's a day to enjoy the outdoors on the golf course, test your skills against others, and make new friends. Golf aptitude is secondary to sportsmanship and the VB spirit of joining in and maybe trying something outside of your comfort zone. There's still time to swing those dusty clubs before July 26.

Following the golf, the real fun begins at the Community Centre on Hwy 59. Complimentary wine and appetizers catered by the Merry Makers. Tournament winners, random flight draws, and prizes for fun contests on the golf course will be awarded. And don't forget our fabulous silent auction. Tickets can be purchased at the windup. We receive amazing support from the local businesses but we also need support from VB cottagers and friends. We appreciate any donations of prizes or money. Prizes can be dropped off at the golf course or I will arrange for pick up. Thank you in advance for your support.

Policeman's Corner

A very BIG thank you to Bob MARSHAL and Bruce McKIBBIN for assisting with the annual July bicycle auction. I hope everyone is happy with their new ride(s) and I remind everyone to purchase a bicycle sticker at the Info Booth for a twonee and place it on the bicycle. When it gets "borrowed", anyone finding the bicycle can find the owner by the sticker. Works like a charm.

Some VB cottage owners are of the opinion that they do not need Police services and we are unnecessary. I strongly and vehemently disagree. And here is just one example of why.

Last week, a male stole a vehicle in Winnipeg and drove it north, ending up in VB. He drove on the wrong side of the road and was travelling at speeds exceeding 180kph. South bound traffic had to pull over or in some cases drive into the ditch to avoid a collision. The 911 board lit up as motorists called in. RCMP Selkirk, RCMP Traffic Services, RCMP Grand Marais and RCMP Powerview were all put into action. Road blocks were put into effect and cruiser cars drove up and down Hwy 59 in an effort to put an end to this driver's dangerous behaviour. The driver and his vehicle were found by the VB Police in the RM of VB as the stolen car had ended up in the ditch just north of Wanasing. The male was arrested by an off-duty VB Police Officer who witnessed this vehicle drive by him at an insane speed and he kept this male in view.

This male was found to be not impaired by alcohol but may have been under the influence of drugs. He was wearing a bathing suit at the time of his arrest and told officers he wanted to come here for a swim. Charges have been laid and he was taken to the Wpg Remand Center (jail). The off-duty officer had none of his police equipment with him but chose to put himself in danger regardless in order to bring this incident to its conclusion. Who knows what this loon would have done had he not been apprehended. Job well done Gary. And a P.S.- he did not put in an overtime slip so this was all done gratis and at no cost to the taxpayers.

Rant over,

Stewart over and out.

VB Sandcastle Contest - Sunday, July 16 from 10am-12pm

We are looking forward to hosting the annual VB Sandcastle Event again this year and this time we are sure that there will be sunny weather and light winds. Start gathering your team together and dig deep for some inspiration! We'll see everyone this Sunday at Clubhouse Beach so draw up your plans and practice your sandcastle building techniques. There will be a top prize awarded in the following categories:

- **Traditional Sandcastles**
- **Animals and Other Creatures**
- **Anything Goes**
- **Most Decorated**
- ***Super-Structures***
- **12 & Under (see guidelines)**
- **8 & Under (see guidelines)**

Official Rules:

- Register at the desk and stake your territory.
- Building will commence promptly at 10:00 am (not before), with the exception of the *Super Structures. Those competing in the *Super Structures* category may begin as early as dawn toward the south end (pier end) of the beach.
- Human powered only! No hoses or motorized vehicles and

equipment.

- **PROPS:** Beach-combed natural materials found on or adjacent to the beach are allowed and celebrated - e.g., stones, sticks, old bark, grass. NO commercially made props allowed (except in the "most decorated category").

Age-Group Category Guidelines:

For the 12 & under and 8 & under categories, there will be adjudicated awards but no rankings. Additionally, parents and adults please take note of the following:

- These categories are a totally parent-free and adult-free event! That's right parents and family - leave the inspiration and execution up to your kids. Do not help them dig a hole, carry water, or give them any suggestions. It's tempting to add in a comment or two but please hold back! Let them create, persevere and surprise us all!

Judging will begin at 11:00 a.m., which will be followed by a group photo of all the participants. Lather up in sunscreen before leaving the cottage and don't forget your sun hat and water bottle. We look forward to seeing you there!

Duplicate Bridge

We had 14 couples (7 full tables) out for our second duplicate bridge of the season on July 3rd. This is the largest number of duplicate bridge players that we have ever had.

Congratulations to Don Simonson and David Prescott who came in first in N/S and Fran Pollard and Donna Thain who came in first in E/W.

Please arrive Mondays at the clubhouse by 6:20 to play duplicate bridge. Cost to play is \$1.00 and cold drinks are also sold for \$1.00.

Please support the Victoria Beach Club by buying a seasonal membership as we would not have bridge if it were not for the Victoria Beach Club.

If you need a partner, call Ken at 756-3612.

Lake Winnipeg Foundation: Investing in Local Water Projects and Research

This is the second of a four-part series highlighting initiatives of the Lake Winnipeg Foundation aimed at understanding and improving the health of our lake.

A primary reason for establishing the Lake Winnipeg Foundation in 2005, was to provide support for local projects focused on improving the health of our lake. The Lake Winnipeg Foundation Grants Program supports grassroots initiatives to help identify and understand issues Lake Winnipeg is facing, and to increase collaboration of those working in the Lake Winnipeg watershed. Projects may focus on conserving Manitoba's boreal forests, improving wastewater treatment protocols, protecting the lake's shoreline habitats, and promoting agricultural water stewardship, to name a few. Various groups have received support through the grants program – from non-governmental organizations to educational institutions to local businesses and first nations.

In 2015, Native Plant Solutions (Ducks Unlimited) received funding from the Lake Winnipeg Foundation to investigate the ability of floating 'bioplatforms' to remove nutrients from water bodies. The bioplatforms were like mini floating wetlands (pictured). Wetland plant growth removes nutrients from water but these plants can only survive in water less than 1 m deep. Native Plant Solutions developed the bioplatforms to allow the plants to grow no matter how deep the water. The floating wetlands successfully removed nutrients from the water, providing a potential method for reducing nutrients in Lake Winnipeg.

Dr. Michael Rennie from Lakehead University received a grant in 2014 to survey Lake Winnipeg for microplastics – tiny plastic particles often found in personal care products. Studies on microplastics in oceans have demonstrated that fish ingest the microplastics, passing them up the food chain; however, their effect on smaller water systems, like Lake Winnipeg, is not well understood. Dr. Rennie used the grant money to purchase a specialized net system to collect the microplastics. His findings showed that microbeads (one type of microplastic) were not present in the lake; however, he did find significant quantities of plastic fibres, from synthetic fabrics. He is now working to identify the rivers contributing to microplastic pollution in Lake Winnipeg.

Another recent project supported by the Lake Winnipeg Foundation is OPEN Water, which involved the creation of an innovative Lake Winnipeg watershed map. The Royal Canadian Geographical Society led this educational initiative to enable students (young and old) to explore and visualize the watershed, locate their communities, and observe the interconnectedness of our waterways.

These are just three of the many projects supported by the Lake Winnipeg Foundation. By promoting these projects, sharing research findings, and providing educational tools to those in the watershed, the Lake Winnipeg Foundation is promoting a healthier Lake Winnipeg in the future. You can support the Lake Winnipeg Foundation through the *Victoria Beach and District Walk for Water (Sunday, August 13th)* as a participant, donor, or both. Pledge forms are available at most Victoria Beach locations, Saffie's in Albert Beach, and on the Lake Winnipeg Foundation website: www.lakewinnipegfoundation.org. For more information, please contact Deanne McDonald (204 756 2911 or deamcd@mymts.net), Sandy McCaig (204 756 8855 or sandymccaig@gmail.com), or Carolyn Townend, the Lake Winnipeg Foundation Events Coordinator (204 956 0436 or events@lakewinnipegfoundation.org).

Yacht Club Update

VBYC is very excited about the Sailing School kicking off its 4-week program on Monday. We have a decent number of registrants but there are still slots open in most weeks. If you're on the fence about participating, come down to the yacht club this week to see how much fun it is and ask the instructors or students about the program. Youth Optimist classes are available for beginner and advanced sailors aged 7 and up. Teen/Adult Laser II classes are also available for beginners and advanced sailors alike. Parents – sailing school is a fantastic opportunity to introduce your kids to an activity where they'll meet new friends and learn about sport, participation, and independence while giving you few hours to relax or enjoy other VB activities. Our coaches are certified by Sail Canada, the NCCP, and have lifeguard training. Visit www.VBYC.ca for more information and to register.

A healthy fleet of 7 Hobie Cats enjoyed a fine start to our summer racing program with the first race of the season taking place on a beautiful Canada Day morning. We have welcomed several new sailors to the fleet in the past couple of years and are always looking for more boats to join. Anyone out at VB looking to participate is encouraged to come to the Yacht Club at 10am on weekends for the skippers' meeting and see if there's a boat looking for a crew.

A nice crowd of members and guests enjoyed the Canada Day fireworks show from the Yacht Club

deck. It's great to see all the activity at the club these days and the increasing interest in sailing, windsurfing, and paddling. Special thanks to all the members who came out on the long weekend for our Spring cleanup party. We had a solid crew of sailing and canned beverage enthusiasts out getting the club and compound in ship shape. The Yacht Club looks great and membership is thriving.

Got a kayak? The club is supporting an initiative for a weekly meet-up group paddle. Stay tuned to the Herald or our website for updates or contact Greg Thomas (756-2367) or Susan Hall (756-3318).

The Yacht Club Dance is approaching. On Sunday, August 6 The Brock Street Bandits and the Sunset Soundsystem will have the VBCC rocking again. More details to follow - look for posters and Herald updates. Tickets will be available starting in the next couple of weeks at your favorite VB establishments.

~ *Letters to the Editor* ~

We are wondering if there are any plans to repair the awful, disgusting mess of stairs at Arthur Beach? As you can see by the photos it's a real hazard and someone will get hurt. Once you have reached the bottom of the stairs you pretty much kill yourself on all the rocks (especially when the water is high and you have to walk through the water to find a little square of sand)

How has someone not figured out a way to maybe even build a bit of a boardwalk from the lower level to go right over all

the huge rocks and then come down into the sand? Would be nice for those who have a cabin in the area to actually be able to use the beach in their area!

Sonia & Trevor Robb, 209 6th Ave

I wrote an article last year regarding driving too fast on the roads. I agree with Geoff and Kae's letter and would like to 'maybe' suggest an idea to prevent driving fast. I think that stop signs put up at intersections would solve the problem. I also think, every so often, that the VB Police set up a radar trap to catch some of the speeders.

I would like to know why some people can drive in during the summer? I understand that some are volunteers for emergencies and need their vehicle, but why the others?

Jack Fotheringham

Library Update

Hello VB readers! What a busy first week it has been. Even a few light thunder showers didn't stop anyone from enjoying some quality reading time. We enjoyed our first story time on Wednesday and our first book club on Friday. We had great turn outs for both and if anyone else wishes to join the book club feel free to come by, even if you missed the first one, can't make the whole meeting or won't be at VB the whole summer. It's every Friday from 12-1, ages 10-14.

We also had our first library volunteer, Izzy Dyck! She helped out a lot this week and we are grateful to have her at the library. If you also wish to volunteer like Izzy, then come by the library while we're open and we'll have some jobs for you to do. As well, next time you come to the library make sure you enter our contest to win a certificate to the store for 5 cent candies! All you have to do is count the number of cat stickers we have hidden around the library. The contest ends at the beginning of August, so hurry! The winner will be announced here and contacted. That's all for now VB readers, see you at the library! Same bat time, same bat channel.

Girls Tennis

Morning skies were threatening, but the sun came through for us offering yet another classic Girls Tennis event. We had a truly impressive turnout this year, with 45 girls aged 5-12 years old being put through the paces by VB's very own tennis legend, Robert Kennedy. Robert and I were thrilled to see so many familiar faces in the crowd - older and taller, of course - as well as so many new ones. We both know Girls Tennis is not just fun, but important too, and that each and every opportunity for girls to play together still makes a difference. Sadly, Canadian girls continue to lag behind boys in terms of participation in sport and in daily levels of physical activity (olympic.ca). But with three courts filled to the brim on Tuesday, it's hard to believe that girls' sport is in any danger at VB. So, a huge shout-out to all our girls and their parents for continuing to make Girls' Tennis a sun-filled afternoon of friendship, fun and fitness.

Many thanks to court attendants Jenna and Sami, as well as Jane (that's the one-and-only Jane Turk who started Girls Tennis some 15 years ago) and Angela for coming out, getting on the hot courts and showing the Next Gen girls how it's done. For our younger girl group, we had a one-to-one ratio of volunteers to girls. How amazing is that? Thanks also to Scott for the spontaneous warm-up drill he put the older girls through while they were waiting for their court time.

Robert and I have already brainstormed ideas for expanding and dividing our age groups even further next year - so 'older' girls, don't hang up your rackets yet - save the date for Girls' Tennis 2018. See you then and see you at the courts.

Children's Masquerade

The Children's Masquerade is coming up on Saturday July 22 at 10am at the Art Vincent Memorial on the Village Green.

Starting planning now to get your costume ready as we'll have prizes again for the Best Original Costume, Best VB-themed Costume and the Best Group Costume. Showing that we don't discriminate based on age, there will also be a prize for Best Adult Costume.

Unfortunately, Aaron and Kim Burnett won't be able to join us this year. I can tell you there is no basis to the rumour that their absence is due to a contract stalemate. In fact, they received a request to entertain Kim's parents for their 60th anniversary and we agreed we could share them for a year.

However, the musical show must go on. And our brother-in-law has kindly hooked us up with one of his top performers from Times Change(d) - Little Miss Higgins. She's a two-time Juno nominee and we're excited that she'll be making her VB debut at our Masquerade. She and her guitar will be playing some old-time country blues sprinkled with a little jazz and a hint of folk that will be sure to please all ears, young and old.

We hope you'll come out and join in on the fun.

Swim News

You are welcome to register for Swim Lessons at any point in the summer. Cameron Russell our Head Swim Instructor is at the Swim Dock every morning from 9-10:30 to sell VB Club memberships and sign kids up for swimming lessons.

The excellent VB Club Swim Staff are having a blast with the kids taking swimming lessons this summer. And they're ready to welcome more kids to learn to swim, to learn about lake safety and stewardship and to make new friends at the beach.

The Red Cross Babysitting Course is being offered again this summer – next session runs July 17-28. Kids 11 years and older are invited to take part. The class meets at the Swim Dock every afternoon for an hour for a two week session. It's the regular Red Cross Babysitting Course plus a little extra about babysitting at the beach. **Sign up now for the second Babysitting Course that starts on July 17.**

Fit and Fun Classes – second year for this course and kids and

instructors are having a really good time! Especially for kids 10 – 15 who have finished the Red Cross swim levels and want to stay swim-fit with laps and stroke advice but also want to have fun with water games and make friends their own age.

There are spots still available in almost all levels for Session One (ending July 21) and lots of spots available for Session Two (July 24 – August 11). Private and Semi-Private spots are also available. Register any weekday morning at the Swim Dock.

Special Swim Events – Come out July 15 for the 200 Meter Swim at the Pier and plan for the 800 Meter Individual and Relay Team swim event on Sunday July 30. Both races @ 2 PM – everyone is welcome. Great way to get your name in the VB Herald! (Last year's winners please return your trophies or call Tamara at 204-470-8429 to make arrangements to have them picked up). Just Keep Swimming!

You really are a Rocket Scientist

Prove to everyone exactly how smart you really are at the Victoria Beach Trivia Night, on Friday August 4th, 7:00 at the Clubhouse. Choose nine of your smartest friends and compete against other teams in the ultimate trivia contest. Teams will answer skill testing questions from ten diverse subject areas such as science, pop art, and perhaps auto mechanics. The game will take two to three hours to complete.

So pick carefully and gather your smartest friends for a fun evening of intellectual competition. Let's prove it once and for all that VB sailors have way more tact than VB tennis players, and that bridge players don't hold all the cards. All will be competing for the title: "The smartest people in Victoria Beach".

The cost to register a team of ten is \$100.00. All proceeds go to the VB Clubhouse renovation. Tickets are on sale at the tennis kiosk.

VB Community Church

It was great to greet friends and neighbours at the Victoria Beach summer Church, and we all enjoyed the "welcome back" cake, both old and young. Many thanks to Cathy & Ray Harris for a lovely service. The new time of 10:00 am has been well received by the congregation, so it will continue for the summer.

We invite you to come this Sunday to welcome Paul Boge and we have choir practice at 9:30 am. Please join us.

Set a course for adventure and your mind on a new romance as

“THE LOVE BOAT” CRUISE comes to the Victoria Beach Clubhouse on July 29th.

Our ship will set sail from Florida to summer tunes from the Beach Boys, we'll jam to the reggae grooves of Bob Marley & The Wailers as we move through the Caribbean and things will heat up to reggaeton and Latin Pop as we enter South American waters.

The Hit Boss Band will take us on this cross-cultural cruise, where we'll dine on succulent pulled pork from Danny's Whole Hog.

Tickets for the over-30 dance cost \$40 and are available at the Moonlight Inn.

We have already sold more than half, so please act quickly to avoid being left on shore.

Eight at the Gate July 1st, 2017 – Happy Canada Day

Kind of a slow start to the season! We had eleven riders out on Saturday, fourteen on Sunday and eighteen on Monday. We usually have six or eight riders out through the week with more on the weekends. We welcome riders from all over, even ones from as far away as Balsam Bay (we just don't let them stand too close to us in the pictures). Leaving at eight o'clock in the morning the ride travels past Saffies at Albert Beach, Hillside Beach and down Lakeshore Road to Lester Beach. The pace varies from 25 to 35 km/h depending on the fitness level of the group and discussion

topic of the day. Current topic: Peter Sagan, did he deliberately interfere with Mark Cavendish in the final sprint during stage four of the Tour de France? This topic will be superseded this Saturday when Mike returns from watching the Bombers play tonight (Friday July 14).

Seriously though, we are a group of people who like to ride bikes. Join us at 08:00 at the gate. For information contact Bob Marshall: VB land line 204 756-8255, cell 204 261-4292, Facebook "eightatthegate".
