

Ebenezer Mennonite Church

Short Term Missionary Application

Worldwide outreach is an integral part of the ministry of Ebenezer Mennonite Church. We desire to encourage a burning passion in the heart of every member for the missionary enterprise and then to involve them personally.

Matthew 28:18-20: Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Short-Term Work Trips = Great Experience

There are many benefits of a short-term **work** experience. The exposure to another part of the world and to missionaries and their work helps give a person a more realistic perspective of missions work. The opportunity to work with a team enhances the experience of the short-termer. By God's grace this experience will encourage the worker to be more committed to pray for and give to missionaries and develop a heart for world evangelism.

Short-Term Vision Trip = Great Investment

In the same way, sending a North American Christian overseas to help them gain a **vision** for missions work, to get to know missionaries, and to see if the Lord is leading them in this direction will pay great dividends for the kingdom of God.

Our Goal

Our goal is to ignite a passion for missions through short-term **work** and **vision** trips. Our purpose in supporting short-term missionaries is to encourage missionary vision, evangelistic passion, and life-long involvement in the worldwide evangelistic cause.
