

Hello Family Campers!

You are receiving this email because you have been to family camp in the last several years, or were interested in coming to camp.

**Registration for Family Camp 2017 at Deer Creek State Park is fast approaching!  
Dates for Camp are July 21-23.**

Here's what you need to know:

1. You are making your own reservations this year. Be sure to check your site for length, shade, and proximity to other amenities (and friends and family) before choosing your site. You are responsible for making any changes to your reservation. A great way to check for shade/sun is to use Google Maps.

**We are going to try to congregate in sites 152-200. There are 2 Camper Cabins in this area at sites 170 and 172.**

2. Go to [Make Reservations](#)

**Camping Reservations can be made 6 months prior to your first night's stay  
Lodge and Cabin Reservations can be made 1 year in advance. Check the page for restrictions and other details about rooms and cabins.**

3. **After** you've made your reservations, **please forward your confirmation email to Christy** ([garmatterc@gmail.com](mailto:garmatterc@gmail.com)) That way you will not have to fill out any other paperwork. I will add your name to the big Camp Map in the Missions Center as I receive your confirmations. For Lodge/ Cabin reservations, I will list numbers...if available.

FYI...The Jeffersonville Outlets are about 30 minutes from camp, and it is less than an hour to shopping/dining at many different locations in Columbus. There are also many outdoor activities in the area around Deer Creek State Park. Be sure to check it out online!

Looking forward to another great year!

The Family Camp Committee.....Christy, Heidi, Kelli, and Sarah
