ROWING CLUB

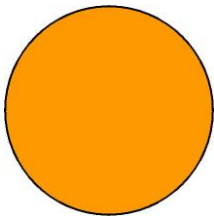

TRAFFIC LIGHT SYSTEM FOR BOAT USAGE

Members are reminded of their responsibility to adhere to the following as per HRC's Constitution. Noncompliance may result in liability for damage and suspension of boating from HRC.

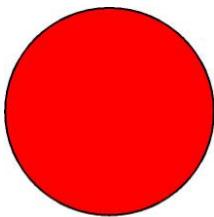

GREEN

Equipment is for general club use. Care must still be shown to all equipment and beginners should be supervised in their usage of equipment by a suitably qualified person.

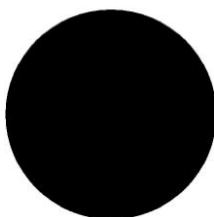

AMBER

Equipment is for general competitive use. Using such equipment requires proficiency in rowing and care. Permission from Captain, Vice Captain or person nominated by Captain. Requests to be in writing.

RED

Equipment is for use by rowers competing at higher-level and training at elite levels. This level requires high proficiency and extra care. Permission from Rowing Development Committee will be required in all cases. Requests to be in writing.

BLACK

Privately owned equipment.
These are not for club use and strictly off limits.
