Changing into or out of swimsuits other than in locker rooms or other designated areas is prohibited.

Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach areas, spectator areas and open ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present.

Positive Check In: Will be required for all 400 meter events. The Meet Director will determine if positive check-in will be necessary for 200 meter events or all events in order to maintain manageable timelines.

Athletes who check into a deck-seeded event (positively checked in), have been seeded and fail to swim the event will be barred from their next scheduled individual event, unless excused by the referee before the event takes place.

Information regarding check-in closing times and the possibility of additional check-in events and times will be available the week prior to the meet in the form of an email to each participating club.
