Chemical and Physical Processes

Chemistry Essentials - 055
Processes

Intermolecular
Intramolecular
Processes

Physical Process
- Breaking
- Forming
- Intermolecular Forces

Chemical Process
- Breaking
- Forming
- Chemical Bonds
Chemical Process

\[ \text{CH}_4 + 2\text{O}_2 \rightarrow \text{CO}_2 + 2\text{H}_2\text{O} \]

Fe (III) reactions

- Odor
- Color
- Gas
- Heat
- Precipitate
Physical Process
Ions in solution

H₂O

NaCl
Ions in solution
To determine if a process is chemical, physical, or both.
