## PROFILE

I'm an enthusiastic and passionate creative. I love taking on any variety of creative challenge, and enjoy the learning experience each new project brings. With over 6 years of design experience across an eclectic range of clients, agencies, media and discipline I feel I'm at a point where I can confidently approach any kind of brief and bring significant added value to the outcome of each project I contribute to.

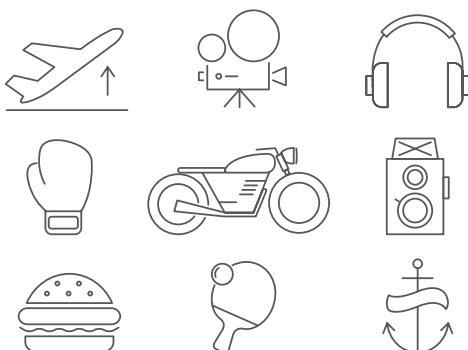

## DESIGN SKILLS

## SOFTWARE SKILLS

## HOBBIES / INTERESTS

## EMPLOYMENT / EXPERIENCE

### FREELANCE

#### Graphic Designer + Art direction

Sep 2014 - Current

I'm currently freelance and always keen to talk about new potential projects as well as appropriate mid - long term contracts as well. Please contact me for more detailed recent freelance work history

### MOSS BROS

#### In-house Graphic Designer

Sep 2013 - Sep 2014

Working on POS, window display graphics, direct communication materials, producing, organising and directing photo shoots, creating brochure and look-book layouts.

### HCT PACKAGING

#### In-house Graphic Designer + Art worker

Oct 2012 - Jul 2013

Conception and development of original graphics and identities for use on primary and secondary packaging units and cartons. Creating designs and producing Art work for printed materials, as well as developing brand, POS materials and layouts of brochures / invites and other print items.

### SOLANGE AZAGURY-PARTRIDGE

#### In-house Graphic Designer

Nov 2011 - Aug 2012

Creation of brochure concepts and direction and cover graphics. Frequent image retouching and photoshop mock-ups of product comps. Responsible for print preparation deadlines and directly liaising with printers.

### GUMBALL 3000

#### Junior Graphic Designer

March 2011 - Nov 2011

Projects included editorial layouts, fashion look-books, image retouching and illustrated route maps. Also large-scale exhibition graphics for trade shows.

### CHRISTIE'S AUCTIONEERS

#### Graphic Design Intern

Jul 2010 - Dec 2010

My 6 month internship provided me with excellent post-university design world experience. I was responsible for developing layouts for a handful of editorial / catalogue publications as well as producing a lot of the other print content like invites and mailers.
