The Jonathan Omer-Man Book Project

Many of us have been deeply touched by Rabbi Jonathan Omer-Man, Metivta's Founder and Rabbi Emeritus, by all he has taught to us as individuals, as a community and as a unique and wise voice within the larger Jewish world. We are grateful this project to publish his teachings from audio archives is well underway and will become a reality with the help of so many dedicated volunteers and generous supporters like you. Make a donation today to help complete this important project.
