KEYS TO SURVIVING PROBATION & TOP THINGS TO REMEMBER

Don't forget to Preference for trips, Standby & RAPs

** Check HI33; know where you fall on the HI33: 1. So you can have an idea of what you may or may not get at 1800. 2. To make sure CS is honoring your preference, if it is contractually yours. 3. If you are commuting this will give you a better understanding of what time to commute in.

**The day prior to work from 1000 – 1400 (suggest around 1330, because people can still pick up OT or line holders can trip trade until 1200. Trips might become available before 1400)

**Confirm next day assignment at 1800 the day prior to your workday by calling AVRS 888-436-2739 & follow the prompts to confirm next day Reserve Assignment.
