SCVC

Discovery is a member of the Santa Clara Valley Council of Parent Participation Nursery Schools ("SCVC" or "Valley Council"). This association of co-op preschools in our geographic area was formed to provide a forum for the exchange of information among its member schools. You are first a member of our school, then of SCVC, and then of California Council, the statewide organization of co-op preschools. One of the auxiliary services available to members of the SCVC is the use of the Peninsula Council Consultant Service. Counseling by psychiatrists, psychologists, and social workers is available to assist families in solving problems as well as dealing with the normal process of growth and development. The services rendered by CPA's, attorneys, nutritionists, dietitians, speech therapists, and other professionals are also available to members and their families. You are eligible to use these services even after you leave Discovery. The annual membership fee you pay to SCVC, through our school, allows you up to four visits per year for a minimal cost per visit. A delegate from our school represents Discovery at monthly SCVC meetings. You will be receiving more information about SCVC and the Peninsula Council Consultant Service in September.
