

FOR IMMEDIATE RELEASE
19TH APRIL 2016

Studio Seed launches “Little Luxuries”, a boutique collection of stationery and lifestyle gifts to coincide with National Stationery Week

Studio Seed is all about making life more beautiful. One little note, card and gift at a time.

The “Little Luxuries” collection includes luxurious leather notebooks, correspondence card sets and stylish leathersgoods designed to be personalised for a pretty yet oh-so practical gift. Packaged perfectly and ready to gift to the list-makers, note-takers and stationery goddesses.

We create one-of-a-kind, boutique stationery, paper and luxurious leather goods for the busy modern woman. Our exquisite hand-finished collections are made in Warwickshire, UK, with incredible care and attention to every... little... detail. Discover an array of gorgeous gifts with a personal touch you will want to give (and get).

“We seedlings passionately believe in the importance of staying connected with those you love in a meaningful way. Our collection of stylish and beautifully-crafted designs helps you show that you care and to make your loved ones feel super special.”

Launch Date: **Monday 25th April** (to coincide with National Stationery Week.)

Prices: start from £15.95

How to Purchase: products are available to purchase online at www.studioseed.co.uk
