Imagination Playground's Big Blue Blocks set contains a wide variety of loose parts, including cubes, bricks, cogs, curves, and cylinders. But the parts are not simply loose. They have holes and shapes that fit

together in ways that allow for building, stacking, channeling, and connecting. They combine all the benefits of block play on a larger-than-life-size scale that encourages kids to play together in groups and have more fun. Children enjoy an endless variety of play patterns including construction, pretend play, role-playing and inventing their own games. Most importantly, they are deeply engaged, active and have hours of fun.
