## "Rescuers: héroes frente a la barbarie", an exhibition organised by Caja Navarra in Madrid

**Violence has on many occasions led to genocide. But there are also stories of people who have risked their lives to save others from genocide, like the stars of the exhibition "Rescuers: héroes frente a la barbarie".**

Durante los últimos treinta años la violencia política, étnica y religiosa ha destrozado diferentes países de todo el mundo y en algunos casos ha desembocado en genocidios. En medio de esta deshumanización emergen historias de personas comunes que resistieron mareas de prejuicios y violencia y arriesgaron sus vidas para salvar a miembros de los grupos enemigos.
