

INSTRUCTIONAL/PILOT SERVICES RATES: Effective June 1, 2018

CFI QUALIFICATIONS:

- JATO CFIs are dedicated training professionals, many have commercial and/or corporate experience, and all possess a passion for teaching in glass cockpit Technologically Advanced Aircraft (TAA). JATO CFIs are qualified in most single-engine and multi-engine piston aircraft.
- JATO Cirrus Standardized Instructor Pilots (CSIPs) have demonstrated the highest standard of instructional excellence, and are nationally recognized by industry OEMs and other professional organizations. Cirrus Training Center Instructors (TCIs) are held to the same standard of training and excellence as CSIPs. All CSIPs and TCIs actively participate in Cirrus recurrent training throughout the year.
- JATO Turboprop/jet mentor pilots are insurance qualified in a range of turbine aircraft.

CFI EXPERIENCE:

- Instructor Biographies are available on our website at www.jatoaviation.com and reflect each instructor's experience, specializations, and training philosophy
