Items Discussed:

1. **Darrah Pond Lowly Water Milfoil November 2012 Report-** Joan McKibben suggests going to the Selectmen's Meeting in August with the report findings, funds and the different options available, one of which is borrow Hudson NH's aquatic float and hire a diver . Richard Husband contacted Amy Spagula, Limnologist/Exotic Aquatic Plant Program Coordinator for the State of NH, due to the fact it's a 'native' species the State won't do anything as far as funding. Richard Husband measured the shore line and since he has moved to Town 7 years ago, the shoreline has shrunk roughly 17 feet. LCC will continue to research this, LCC possibly canoe out on the pond.
2. **Wildlife Sanctuary Sign** – Joan McKibben trying to get in touch with Margaret Parent.
3. **Moore's Falls** - Joan McKibben went down, there were 11 bags of leaves dumped, Joan McKibben to contact Father Ray of St. Francis Parish, the church picnic area had been cleaned up, perhaps the landscaper may know who dumped the leaves.

Roger St. Laurent suggests thanking Jack Pinciero and Les Blundon for cleaning up all the downed trees.

4. **Garden Drive Fen** – Joan McKibben waded in and took out a bag of beer bottles.
5. **Fishing Derby** - LCC received \$100. anonymous donation and \$200. from Continental Paving for the fish. Next year Mrs. McKibben suggests road side signs rather than flyers. Joan McKibben email Lynn Ober, Hudson Litchfield Newspaper reporter who usually covers the derby. LCC to meet at 7:30 at the pond.
