

## Warm Weather Packing List

All items must fit in one (1) soft-sided duffel bag. Check bags at your own risk! Remember, no laundry during the passage, only ashore if available. (Hand-wash is an option)

### What you need to bring.

- Your wallet
- A passport

### What you should bring.

- Swimsuit (2) (Remember that the shower is outside, in the cockpit)
- Water bottle for use onboard
- LED headlamp (we like a red LED option, [like this one from Petzl](#)) (1)
- Books/magazines or a Kindle/iPad
- Warm hat for night watches
- Lightweight long-sleeve shirt
- Summer clothes for daytime (quick-dry preferable)
- One set of warm clothes for evening watches (fleece, etc.)
- Hat or Visor to keep the sun off your face
- Medications you take (you MUST tell us health issues)
- Sunglasses, watch
- Personal toiletries
- Ear plugs / sleeping mask to block light and noise during day naps.
- Lightweight rain jacket or foul-weather jacket
- USB memory stick if you want photos from the trip
- An open mind and a willingness to work hard

### Optional stuff.

- Multitool (we like [Leatherman's](#)) - CHECK WITH YOUR AIRLINE FIRST!
- iPad or Kindle for reading/podcast listening.
- Sleeping bag (if you get chilly at night - we recommend a packable, dri-down style, something like [this one from Sierra Designs](#)).
- Dry bag for electronics - Sailing is a water sport after all!

### What *not* to bring - we provide this onboard.

- Towel (we provide quick-dry 'pack' towels), sheets & pillow
- Large electronics (like laptops - iPad's & Kindle's are okay)
- Sunscreen

### Helpful tips & reminders.

- Pack one pair of deck shoes and one pair of flipflops – you won't need anything more!
- Long underwear & lightweight foulie pants work better than cotton pants or jeans if it's chilly.
