## Youth

Calvary's strategy for meeting the needs of our church will take place through Children's and Kid's Power House ministry. The following will enable us to keep evangelism first place and assist in the spiritual and physical needs of our church.

### 1. **Your Walk:**

- Salvation – you having a personal relationship with Christ.
- Baptized.
- Member at Calvary.
- Adhere to Biblical standard of tithing.
- Personal Holiness – live a life above reproach.

### 2. **Lesson preparation: Ministry Responsibility**

- Materials are provided for you if you are teaching. Message can be provided or yours needs to be approved.
- Allow ample time for study.
- Your presentation should be from the Bible not from a book.
- Every position is just as important as another, take ownership and initiative.
- Games, crafts, songs

### 3. **Points for discussion are based on Biblical application not individual interpretation.**

4. **Dress code-** neatly groomed, make a good impression to parents dropping their children off.

5. **Be Courteous;** greet students and interact.
